SIF Application

- JPPL level 2 student seeking \$80 for MACMUN registration. MACMUN will allow them to gain a broader understanding of global issues and they requested to be part of the legal committee, both of which connect to JPPL. They believe they will develop their crisis management, presentation skills, public speaking, and collaborative skills. Noted benefits to society include a consideration of the issues that affect society at large and the drafting of ideas

for solutions to those problems. This opportunity could help them find a job as a parliamentary assistant or working at the UN or with a related NGO. Additionally public speaking is important to them as someone who is considering a career in law.

- Approved via Google Form vote!
- Will send info + application to Caitlyn

Zaina:

Linktr.ee Problem...

- Instagram flagged our @mcmasterhumsociety Linktree for violating IG rules. I changed the username temporarily to @machumsoc to see if it would fix the problem, and it worked for a few hours, but it got flagged again. IG support did not help. Having the link in bio suspends the account/does not allow anyone to post anything. It seems like this is a Linktree problem as other links are working fine... Does anyone have any ideas or alternate platforms we could use?

Marketing

- Planning exec takeovers to begin on January 16th (every other weekday) and end on February 5th. [Sign-Up](#)
 - Similar to last years takeovers, beginning the takeover with an introduction such as name, MHS role, year/program etc. and mentioning the topics viewers can ask you questions about during your takeover (ie. ask me questions about: program, extracurricular, MHS role, course recs, living on/off campus, becoming a welcome week rep etc.

- Ideally the takeover would be on-campus (or even just some of it) and end by 8-9pm at the latest
- Headshots TBD, ideally beginning the week of January 23rd... haven't heard back from our photographer yet

Brand Guide and Formal Promotions

- Should a brand guide exception be made for formal promotions?
 - General consensus from the form is that an exception should be made
 - Ideas: Incorporate some MHS colors so that it is not completely detached from the MHS brand guide?
 - Making color palettes and voting on which one
