Majors Fair

- We've been asked to table at Majors Fair! If you're available, please add the times you can table to this spreadsheet **RN** so I can let Leanna know ASAP:

Transfer Packages

- Tentative due date: March 13th (beginning of VP campaign period)
 - Lillian and I need time to review them and point out anything that should be added or changed before we officially transfer roles at the end of March/beginning of April
 - due date applies to *all* roles (including peripherals if they have a transfer package!)... realistically they can hand it in later, but give this as a date to encourage them to get them completed sooner than later
- Reminders
 - Be specific and detailed - include even the tiniest of things if they are relevant or might be helpful to a future exec
 - If you think it's helpful, keep and/or add on to pre-existing notes from previous transfer packages
 - Create a package you'd want to receive! Keep it organized, free from spelling or grammatical errors, and anticipate potential questions or areas of confusion (assume the reader doesn't know how anything MHS-related works because it's quite likely they won't)

Winter Bonding Event

- Please circulate amongst your peripherals! and fill out yourself
 - Sydney will also be circulating among Navy Nation and Club + Society execs

Office

- Can those of you with prizes from past events please follow up with winners? the quicker we can give these the better

Stickers

- Emblem/logo ideas for each program?
- Anything cute you'd like to see a sticker of?

Lillian
