MHS x DCS Collaborations?

- VP External of the DCS reached out to me in hopes of doing some collabs throughout the year, such as...
 - DCS/MHS Cookout (typically happens in early October)

- Sponsored by companies to provide food (past ones include Pepsico)
- MHS and DCS clubs have booths to showcase everything they do, and invite students to join in on events throughout the year!
- Spring Market in the Arts Quad
 - Similar to the Holiday Market that MSU hosts
 - Small, local businesses can have booths and sell items
