Sydney

- WW meeting this week
- Still accepting WW rep contracts (66 submitted so far)
 - Going to reiterate the deadline at the meeting this week
- Society documents are due on the 31st – Music asked for an extension, so they have until mid-April

Sofia: N/A

Caitlyn

- Back logged with reimbursements but will be getting those out this week!

Chloe

- Hum's Got Heart – Malala Fund and question?

Katelyn & Eli

- EVENT WENT GREAT!!!
- We had the vase painting event last thursday it went great had an awesome turnout and people had fun 😊
- Will be adding details into the transfer package hopefully this week
- A friend of mine who is on a peripheral team as a photography coordinator for the SocSci society said that she is thinking of planning some headshots for everyone towards the end of the semester and was wondering if hum society might want to partner with them for photos 😊
 - Open to promoting but because SEO likes to offer this and year has wrapped, not open to collab at the moment
