**Transfer Packages**

- Make sure you keep track of what you do in your role (events, initiatives, posts, costs, etc.)
- The break is an excellent time to start transfer packages so you don't have to do everything at the end of the Winter term!
- Make a copy of the package you received and edit it

**Merch update**

- Final designs for voting should be ready for next week
- Estimated timeline - ordering in Jan and hopefully delivered by Feb
