Charity Plan - Hum's Got Heart

- Total charity budget: \$1,500
- Recall: Chloe's proposal for a donation for Breast Cancer Awareness (Month - October)
 - Instead of doing a one-off donation, let's 'spread the wealth' and commit to donating to different causes each month
 - October - April: 7 months
 - Recall: precedent of a merch donation / matching program → 'for every product sold, we'll donate \$1 to charity'
 - Instead of donating \$200 1x for 7 months, we'll pick **6 charities** and donate \$1,200 total - leaving us with \$300 for whatever merch/matching program we decide on
- Proposal:
 - Commit to donating **\$200 per month to a charity or cause on behalf of the McMaster Humanities Society**
 - October: Breast Cancer Awareness
 - November: Movember
 - Each month (excl Oct), we will post on our Instagram announcing the Charity / Cause
 - "For every comment (or like, share, other engagement metric), we will donate \$1 to Charity X (up to a limit of \$200)"
 - For October - we'll brand it as a '48-hour challenge,' putting the post up on Monday and giving people til Tues evening to comment
